Dear Parents/Carers,

Buzzed and Wired – Lunchtime Club, Year 3-7

As from Monday 18th September, we will be offering a ‘buzzed and wired’ club in the school ITC suite at lunchtimes.

Any child is welcome to attend to use the computers and printers to play computer games on the days allocated to their year group.

In order to run the club, we do use headphones for each pupil to allow each child to hear their own computer sound and to stop the room for being too noisy with 30 computers all on different pages. Please be assured that in line with school policies, children will only be able to access information appropriate to their age.

If your child wishes to attend the club, we ask that you make a £1 payment, which will cover the whole year of attendance. This contribution will support school in the replacement of headphones.

Kindest regards

Sam Faulkner
