We hand out food and support to anyone in need.

We rely 100% on volunteers and we work with schools and other organisations who point people to us. There is no need for a referral, everyone is welcome.

Every day we receive food from supermarkets which would otherwise be thrown away. We also collect donations to support families who need an extra helping hand to get through hard times.

If you are visiting us for freecycling food, and are able, we are grateful for monetary donations which enables us to buy items to support families in crisis.

**Interested in Volunteering?** We are always welcoming new volunteers to the team, we'd love to hear from you.

**Interested in Donating?** We accept food donations and financial support towards running costs.
